7-9pm

Whippanong library

**snow date January
28th**

The Substance Awareness Council is partnering up with the Whippanong library for a literary event. It's about you, the writer of modern day poetry, having a voice to express yourself. There is no list of rules, just write what your experiences have been. This is an opportunity for you to be heard.

Have your written works of art read over by your teacher, parent or friend. Please be appropriate. There will be judges to select the best poem.

Please sign up in the Whippany Park High School office by 12/2/2015 in order to participate.
